Theatre: _____ City/State: _____

Judge: _____ Date: _____

The numeric “Score” of 1 through 10 will be used in determining the awards from among the nominees, along with how you rank your nominees on a separate “Nominees” form to be filled out in May. You can use numbers up to two decimal places (i.e., 8.75, but not 8.752). Subcategories can be rated as (E)xcellent, (G)ood, (F)air, or (P)oor by circling the appropriate letter, and exist to aide you in determining the overall score. These scores are confidential, and should only be shared with members of the National Youth Theatre Awards Committee. See “Scoring Guidelines.”
